RE: CONFIDENTIALITY OF CERTAIN INFORMATION

DOCKET NO: 20240001-EI DOCUMENT NO: 02574-2024

DESCRIPTION: Duke Energy (Cuello) – (CONFIDENTIAL) Highlighted information on Form 423 fuel report for 1/24, 2/24, and 3/24.

SOURCE: Duke Energy Florida, LLC

Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Duke Energy Florida, LLC (DEF or Company) requests confidential classification of certain information filed in the above-referenced docket, dated April 30, 2024.

The Company is claiming confidentiality of its filing under Section 366.093(3)(d), F.S. Per the Statute, propriety of confidential business information includes, but is not limited to: Subsection (d) “[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.”

More specifically, the information relates to claimed propriety separated fuel commodity cost and fuel transportation cost data, as well as quality-related cost adjustments. This information has historically been treated as confidential. Further, DEF requests that the confidential information contained in the 423 Report be protected from disclosure for a period of 24 months. For the reasons explained in its request, DEF claims this is the minimum time necessary to ensure that purposes for which confidential classification is granted are not contravened and frustrated by a premature subsequent disclosure.

Staff has reviewed the Company’s information and confidentiality request. It is staff’s opinion that the information subject to this request meets the criteria for confidentiality contained in Section 366.093(3)(d), F.S.
