- 4. The Confidential Information contained in the Documents is intended to be and is treated by Tampa Electric as private and has not been publicly disclosed.
- 5. For the same reasons set forth herein in support of its request for confidential classification, Tampa Electric also moves the Commission for entry of a Temporary Protective Order pursuant to Rule 25-22.006(6)(a) of the Florida Administrative Code.

### **Requested Duration of Confidential Classification**

6. Pursuant to Rule 25-22.006(9)(a), Tampa Electric requests that the Confidential Information be treated by the Commission as confidential proprietary business information for 18 months. If, and to the extent that the company is in need of confidential classification of the Confidential Information beyond the 18-month period set forth in the Commission rule, the justification and grounds for such extended confidential treatment are set forth in Exhibit "C" to this request and motion.

WHEREFORE, Tampa Electric respectfully requests that the Confidential Information that is the subject of this request and motion be accorded confidential classification for the reasons set forth herein and for 18 months.
