ORDER ASSESSING PENALTIES

BY THE COMMISSION:

In Orders Nos. 21175 through 21193, issued May 8, 1989, we

required several utilities to show cause in writing why they should not be fined for failure to timely file their tax savings reports, as required by Rule 25-14.003(4), Florida Administrative Code. The utilities listed in the caption of this Order have filed their tax reports, but did not respond in writing to their respective show cause orders by May 30, 1989, the due date for such responses. Pursuant to Orders numbered 21175 through 21193, these utilities, by not responding as required, have admitted to the facts alleged in the Orders and waived their right to a hearing.

Based upon the foregoing, we find it appropriate to fine these utilities in the amounts stated in their respective show cause orders. The penalties are listed in Schedule A, which is attached to this Order and by reference incorporated herein.

In our opinion, exhaustive efforts to collect the fines assessed in this Order would not be an efficient use of this agency's resources. Therefore, if after reasonable collection efforts have been made and we have not been able to collect the fines, we find it appropriate to deem the penalties uncollectible and refer them to the Comptroller's Office for further disposition.

It is, therefore,

ORDERED by the Florida Public Service Commission that the utilities listed in the caption of this Order are hereby assessed the penalties set forth in Schedule A, which is attached to this Order and by reference incorporated herein. It is further

ORDERED that if this Commission is unable to collect the fines after reasonable collection efforts have been made, the penalties shall be deemed uncollectible and referred to the Comptroller's Office for further disposition.

By ORDER of the Florida Public Service Commission,
 this 31st day of JULY, 1989.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by the Commission's final action in this matter may request: 1) reconsideration of the decision by filing a motion for reconsideration with the Director, Division of Records and Reporting within fifteen (15) days of the issuance of this order in the form prescribed by Rule 25-22.060, Florida Administrative Code; or 2) judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or the First District Court of Appeal in the case of a water or sewer utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days after the issuance of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
