RE: Public Service Commission 1990 Annual Report  
Docket NO. 910136-TI

Dear Mr. Tribble

We ask that you accept our 1990 Annual Report that has been filed and that you waive late filing penalties for this report. 1990 was the first Annual Report we were required to file with the Public Service Commission and this Annual Report was confused with the one we filed with the Florida Department Of State. Correspondence we received referred to an "Annual Report", which we believed was the one we filed with the Division Of Corporations in the Department Of State. When we learned of our error, we filed the 1990 Annual Report with the Public Service Commission immediately.

Our system has been changed to recognize that Annual Reports must be filed with both the Department Of State and the Public Service Commission, so that this error will not be repeated in the future.

We ask for your favorable response to our request. If you require additional information or need to discuss this or any other matter, please contact our office. Your cooperation will be greatly appreciated.

Sincerely,

  
Larry Smith  
Controller
