Dear Mrs. Vandiver:

We are going to revise our schedule, we are going to put water meters on the following lots; Block A lots 14 through 45 and Block B lots 11, 12 and 13, hopefully June 24th. We have contacted General Telephone, the cable T.V. people, and also we will be in touch with R.E.A., the electric company. Each one of these people will be sent a notice, which as I understand that some of these consumers are delinquent on their bills, but we think it is only fair to give due notice to these consumers.

Now, in reference to your letter of June 5, we understand your first paragraph, and it is our intention to collect these balances, which at this particular point is in excess of \$600.00, through normal collection agencies. This would make it more feasible than collecting deposits of \$500.00 per customer. The tone of your letter, in all essence, appears to be dictatorial. We understand we own the Utility and we are endeavoring to abide by the P.S.C. rules and regulations to the enth degree. We believe there has not been any criticism at all as to your part and our part.

Very truly yours,

 R. D. Sims
