ORDER APPROVING GTE FLORIDA INCORPORATED'S
REQUEST FOR EXTENSION OF TIME TO
FILE ITS PROPOSED RESTRUCTURE OF
INTRAEXCHANGE PRIVATE LINE

BY THE COMMISSION:

Order No. 24149 required GTE Florida Incorporated (GTEFL or the Company) to file its proposed restructure of intraexchange private line service along with corresponding cost justification by June 30, 1991. The Company filed a Motion for Extension of Time to comply with this mandate on April 15, 1991. In its motion, the Company requested that the filing deadline be extended to September 1, 1991. In its motion, GTEFL stated that the development of its restructure of its intraexchange private line tariff, with cost-justification, will take approximately eight man months. GTEFL also stated that it will require a substantial amount of service order transition work to implement its intraexchange private line restructuring.

For these reasons, we find it appropriate to approve GTEFL's request to extend the deadline for filing its proposed intraexchange private line tariff and cost support from June 30, 1991, to September 1, 1991. This docket shall remain open until the other issues in this docket are resolved.

Based on the foregoing, it is, therefore,

ORDERED by the Florida Public Service Commission that GTE Florida Incorporated's request for an extension of time to file its proposed restructure of its intraexchange private line service is hereby granted as set forth in the body of this Order. It is further

ORDERED that this docket shall remain open
