Dear Ms. Hand,

Per our telephone conversation last week, please note name change of utility consistent to your request of B.D.C., corporate ownership and warranty deed.

Again, per our discussion, we have begun to process the name change of the utility (D.B.A. filling) prior to customer billing.

Are you sending new tariff sheets for the name request?

If you should have any questions on the above, please feel free to contact me at the above number on Monday.

Sincerely,

Steve McConihay
