ORDER GRANTING MOTION
TO ADMIT DOCUMENTS INTO EVIDENCE

On September 17, 1991 the Office of Public Counsel and Florida Power Corporation filed a Joint Motion to Admit Documents Into Evidence. The parties identified the documents as Exhibit 14 at the April 23, 1991 hearing and Exhibits 17, 18 and 19 presented on August 23, 1991, which was the conclusion of the hearing. These documents were identified and discussed the hearing. No party will be prejudiced by their admission into evidence. We therefore grant the motion.

IT IS THEREFORE

ORDERED by Commissioner Betty Easley, as Prehearing Officer, that the document identified as Exhibit 14 at the April 23, 1991 hearing and the documents identified as Exhibits 17, 18 and 19 on August 1991 conclusion of the hearing be admitted into evidence.

By ORDER of Commissioner Betty Easley, as Prehearing Officer, this 4th day of OCTOBER, 1991.

Betty Easley, Commissioner
and Prehearing Officer
