ORDER REVISING PROCEDURE

By Orders Nos. 24726, issued July 1, 1991, and 24988, issued August 29, 1991, we established dates for key activities of this case. The date previously set for the prehearing conference was October 9, 1991. As a result of our granting of utility's motion for an extension of time within which to file rebuttal testimony, it has become necessary to change the controlling dates for filing of the utility's rebuttal testimony and the date of the prehearing conference. No change is being made to the date of the hearing. All other provisions of the above cited previous orders on procedure remain unchanged.

The following dates now govern this proceeding:

Rebuttal testimony and exhibits	October 9, 1991
Prehearing conference	October 16, 1991
Hearing at a time and location to be determined (unchanged)	October 31, 1991 and November 1, 1991

It is, therefore,

ORDERED by Commissioner J. Terry Deason, as Prehearing Officer, that Orders Nos. 24726 and 24988, are hereby revised as set forth in the body of this Order. It is further

ORDERED that all other provisions of Orders Nos. 24726 and 24988 on procedure remain unchanged.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: 1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; 2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or 3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or sewer utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
