 RE: Docket No. 911044-TL - Proposed tariff to restructure foreign exchange service by Northeast Florida Telephone Company, Inc. (T-91-568 filed 10/7/91)

During my recent vacation an analyst within our Rate Section made assignment of the above tariff filing and a docket was opened. Upon my return it was discovered that this tariff should be handled in Docket No. 910612-TL-Restructure and Repricing of Intralata Foreign Exchange Service for the Local Exchange Companies. Therefore, the above docket should not have been opened. I am requesting that this docket be closed administratively.

If you have any questions, please advise.
