Instructions For Filing Regulatory Assessment Fee Return (Pay Telephone Service Provider)

- WHO MUST FILE: Each regulated company under the jurisdiction of the commission for any part of the six-month period preceding either of the due dates as reflected under Paragraph II.
- II. WHEN TO FILE: To avoid payment of penalties and interest, this Regulatory Assessment Fee Return must be filed: On or before July 30 for the six-month period January 1 through June 30, AND On or before January 30 for the six-month period July 1 through December 31.
 When July 30 or January 30 falls on a Sunday, remittance may be made on July 31 or January 31, respectively, without penalty.
- III. FEES: Each commission-regulated company shall pay the percentage referenced in the parenthesis on Line 5 of its gross operating revenues derived from intrastate business. Each Pay Telephone Service Provider may deduct the amounts paid for services to other Telephone Companies. Each Pay Telephone Service Provider is to include a listing of all amounts paid for services to other Telephone Companies where a deduction is taken. Gross Operating Revenues are defined as the total revenues before expenses. Gross Intrastate Operating Revenues are defined as revenues from calls originating and terminating within Florida. Do not consider any expenses, taxes, or uncollectibles, etc., in these amounts. The presently established percentage appears on Line 5 of this Regulatory Assessment Fee Return and in Rule 25-4.0161(1).F.A.C.
- -IV. FAILURE TO FILE BY DUE DATE: Failure to file this form by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 8). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 9). A Regulatory Assessment Fee Return must be filed regardless of whether there are no revenues to report or if the minimum is due.

Where a company fails to file a Regulatory Assessment Fee Return, the commission may order the company to show cause why the company should not be assessed a penalty and/or why the company's certificate should not be canceled.

- V. EXTENSION: A company, for good cause shown in a written request, may be granted an extension for a period not to exceed thirty days. Such request should be made by filing the enclosed Form PSC/ADM-124 (Rev. 6/88) (Request for Extension to File Regulatory Assessment Fee Return) in sufficient time to allow commission action prior to the normal due date. If an extension is granted, a charge shall be added to the amount due:
 - 0.75% of the fee to be remitted for an extension of 15 days or less, or 1.5% of the fee for an extension of 16 to 30 days. In lieu of paying the charges outlined above, a company may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the normal due date, the company will be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An automatic 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space on this form.
- AUTHORITY: The authority to collect regulatory assessment fees is granted to the commission by Sections 350.113, 364.336 and 364.337, Florida Statutes.
- VII. REGULATORY ASSESSMENT FEE DUE: Amounts are due and payable to the Florida Public Service Commission within 30 days of the end of the periods. - VIII. FEE ADJUSTMENTS: Computation errors and/or differences in gross operating revenues reported for regulatory assessment fee purposes and those reported in the annual report may cause adjustments to amounts paid to the commission. You will be notified via form PSC/ADM-125 (Rev. 8/90) as to the amount and reason for any adjustment. Penalty and interest charges may be applicable to additional amounts owed the commission by reason of the adjustment.
- IX. NUMBER OF INSTRUMENTS: Report the number of pay telephones in operation at the close of the period covered by this return.

> Rule 25-4.0161 Docket No. 910905-TP

SUMMARY OF RULE

Rule 25-4.0161, F.A.C., is amended to adopt new telecommunications company regulatory assessment fee returns that include annual report information.

SUMMARY OF HEARINGS ON THE RULE

No hearing was requested and none was held.

FACTS AND CIRCUMSTANCES JUSTIFYING THE RULE

Rule 25-4.0161 requires telecommunications companies to file a regulatory assessment fee return each January 30 and July 30 for the preceding six month period. In addition, interexchange companies, pay telephone companies and shared tenant service providers are required by Rules 25-24.480, 25-24.520 and 25-24.585 to file annual reports on January 31 of each year. By combining the two forms, it is anticipated that confusion about the due dates and reporting requirements will be reduced, and compliance increased. It is also anticipated that there will be an overall reduction in time spent by the companies completing the forms, and time spent by staff reviewing and monitoring compliance.
