TOMOKA WATER WORKS, INC.

1951 S.R. 40

Ormond Beach, Florida 32174

NOTICE TO CUSTOMERS

In July of 1980, the Florida Legislature adopted provisions permitting water and sewer utilities to adjust twice a year, the rates and charges to its customers without those customers bearing the additional expense of a public hearing. These adjustments in rates would depend on increases or decreases in noncontrollable expenses subject to inflationary pressures such as chemicals, and other general operation and maintenance costs.

On January 18, 1991, TOMOKA WATER WORKS, INC. filed its notice of intention with the Florida Public Service Commission to increase water and sewer rates in Volusia County as a result of this legislation. If acknowledged by the Commission, water rates will increase by approximately 2.74% and sewer rates by N/A %. These rates should be reflected on your bill.

If you should have any questions, please contact your local utility office. Be sure to have your account number handy for quick reference.
