AMENDATORY ORDER

BY THE COMMISSION:

On August 27, 1992, this Commission issued Order No. PSC-92-0895-FOF-WS which transferred water and wastewater certificates and established rates and charges for Jacksonville Suburban Utilities Corporation (JSUC). On page 11 of that Order, the Wastewater General Service Base Facility Charge Per Month schedule incorrectly set forth JSUC's proposed charge for 1-1/2 inch meter as \$48.45. The correct charge is \$49.45 as set out in JSUC's currently approved Wastewater Tariff Sheet No. 14.3.

Therefore, we find it appropriate to amend Order No. PSC-92-0895-FOF-WS to correctly reflect the Wastewater General Service Base Facility Charge Per Month schedule to reflect JSUC's proposed charge for a 1-1/2 inch meter as \$49.45.

It is, therefore,

ORDERED by the Florida Public Service Commission that Order No. PSC-92-0895-FOF-WS is hereby amended as set forth in the body of this Order. It is further

ORDERED that Order No. PSC-92-0895-FOF-WS is affirmed in all other respects.
