 RE: Docket No. 920260-TL - Comprehensive review of the revenue requirements and rate stabilization plan of SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

---

As I am sure all of you are aware, the Prehearing Officer has directed that all discovery be completed in this docket by January 15, 1993. To this end, I have reviewed the calendar for the purpose of scheduling depositions. Because of the upcoming holiday season, it appears to me that the only clear block of time for holding depositions is the three week period beginning November 30, 1992, and ending December 18, 1992.

I have already contacted a number of you informally on this subject. By way of this memo, I am asking that each party check the availability of their own witnesses during this three week period, as well as begin planning to schedule all depositions, to the extent possible, within this block of time.

I am aware that the Centel rate case is scheduled for its evidentiary hearing from December 7-11, 1992, and that some parties to this docket are parties to that docket as well. However, given the time constraints we are facing in this docket, I see no other feasible period of time.

Please do not hesitate to call upon me if you have any questions or comments.
