ORDER INDICATING NONJURISDICTIONAL STATUS
OF E. WAYNE ROGERS WATER SYSTEM AND CLOSING DOCKET

BY THE COMMISSION:

On December 24, 1992, E. Wayne Rogers filed an application with this Commission for recognition of the nonjurisdictional status of his water system, pursuant to Section 367.021(12), Florida Statutes. E. Wayne Rogers owns the water system and the Country Corners Store, which the water system serves. The store and the water system are located at 13490 Orange Avenue Extension, Ft. Pierce, Florida.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code. According to the application, water service is provided only to Country Corners Store, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by a septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Rogers

acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that the E. Wayne Rogers Water System is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, the water system is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of the E. Wayne Rogers Water System or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, the E. Wayne Rogers Water System, Post Office Box 1136, Ft. Pierce, Florida 34954, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of E. Wayne Rogers Water System or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate the system's nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission this 10th day of February, 1993.
