ORDER APPROVING TARIFF

BY THE COMMISSION:

On April 15, 1993, ALLTEL Florida, Inc. (ALLTEL) filed a tariff amendment proposing to add calling card rates to its tariff. ALLTEL is currently billing several calling card rates which are not in its tariff. This tariff amendment will correct this oversight which resulted from ALLTEL's erroneous belief that a concurring tariff for another local exchange company's tariffed calling card rates was incorporated within its tariff.

Specifically, ALLTEL's tariff amendment proposes the following charges be tariffed:

- 1) \$.75 per call for station to station, customer dial calling (credit card) local calls.
- 2) \$1.00 per call for station to station, operator assisted, sent paid, sent collect, third number and non-customer dialed credit card calls.
- 3) \$2.50 per call for person-to-person operator assisted local calls.
- 4) \$.25 per call for a local call utilizing operator handling services, excluding the service charges of \$.75, \$1 and \$2.50 for station to station and person to person charges described above.

Because ALLTEL is currently charging these rates no revenue impact will occur. Furthermore this tariff mirrors the same tariff
