Re: POSTPONEMENT OF SSU RECONSIDERATION

920199-WS

Dear Chairman Deason:

The purpose of this brief note is to request that the Commission consider postponing hearing the staff presentation on various SSU reconsideration requests. I am aware that the issue is scheduled to be heard on Tuesday, July 6th.

The reason for this request is to allow time for compilation of the various material relating to the Matthew Feil/SSU employment which I have requested. There may be information in the compilation which may be of interest to the entire commission. Certainly the Commission deserves to have all the material relating to this aspect of the SSU case before it makes a decision on this extremely important case.

Additionally, on the staff recommendation, was the comment that the Agenda item for July 6th was marked "controversial--parties may not participate." Does staff ultimately decide who may speak? I would imagine that a virtual majority of the cases you handle are controversial. I would appreciate hearing from you on this issue.

Hoping to hear from you soon, I remain

Very truly yours,

Ginny Brown-Waite

Re: Docket No. 920199-WS

Dear Chairman Deason:

The Commission panel assigned to the above-cited docket is currently scheduled to consider staff recommendations regarding numerous motions for reconsideration taken from the final order in that docket at the Tuesday, July 6, 1993 Agenda Conference.

Today, I am filing "Citrus County's Motion in Support of COVA Request For Investigation Of SSU's Publicity, Advertising, And/Or Lobbying Activities" as well as a "Joint Petition For Full Commission Hearing For The Purpose Of Setting System-By-System, Stand-Alone Water and Wastewater Rates For Certain Systems Operated By Southern States Utilities, Inc." on behalf of Citrus and Hernando Counties and other parties.

In view of these filings I am requesting that you defer consideration of the motions for reconsideration until at least the next scheduled Agenda Conference. Doing so will allow time for the Commission to consider the merits of the above-cited filings.

Sincerely,

Michael B. Twomey
