Docket No. 920260-TL

Filed: August 10, 1993

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY'S
SUPPLEMENTAL RESPONSE AND OBJECTIONS TO PUBLIC COUNSEL'S
FORTY-FIRST REQUEST FOR PRODUCTION OF DOCUMENTS
AND MOTION FOR A TEMPORARY PROTECTIVE ORDER

COMES NOW, BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company ("Southern Bell" or "Company"), and files, (1) pursuant to Rules 25-22.034, Florida Administrative Code, Rule 1.350, Florida Rules of Civil Procedure, its Supplemental Responses and Objections to the Office of Public Counsel's ("Public Counsel") Forty-First Request for Production of Documents dated July 9, 1993 and 2) pursuant to Rule 25-22.006(5)(c), Florida Administrative Code, its Motion for Temporary Protective Order.

MOTION FOR TEMPORARY PROTECTIVE ORDER

Some of the documents that will be delivered to or made available for review by Public Counsel contain proprietary, confidential business information that should not be publicly disclosed. Thus, pursuant to Rule 25-22.006(5)(c), Florida Administrative Code, Southern Bell moves the Prehearing Officer to issue a Temporary Protective Order exempting these documents from 119.07(1), Florida Statutes. These documents contain, among other things, financial information relating to non-regulated interests, and other proprietary confidential business

information. Such information is specifically included as proprietary confidential business information pursuant to § 364.183, Florida Statutes. If Public Counsel subsequently notifies Southern Bell that any of the proprietary documents are to be used in a proceeding before the Commission, Southern Bell will, in accordance with Rule 25-22.006, Florida Administrative Code, file a detailed motion for protective order specifically addressing each of the documents identified.

GENERAL RESPONSE AND OBJECTIONS

1. Southern Bell objects to Public Counsel's proposed "Instruction" relating to details of privileged documents. To the extent a document responsive to any of the requests is subject to an applicable privilege, some of the information requested by Public Counsel would be similarly privileged and therefore not subject to discovery. Notwithstanding this objection, Southern Bell will provide a general description of any material withheld due to an applicable privilege.

2. With regard to Public Counsel's definition of "document" or "documents", Southern Bell has made a diligent, good faith attempt to locate documents responsive to the scope of Public Counsel's individual requests for documents.

3. Southern Bell objects to Public Counsel's definition of "you" and "your" as well as the definition of "BellSouth." It appears that Public Counsel, through its definition of these words, is attempting to obtain discovery of information in the possession, custody, or control of entities that are not parties

to this docket. Requests for production of documents may be directed only to parties, and any attempt by Public Counsel to obtain discovery from non-parties should be prohibited. See Rule 1.340, Florida Rules of Civil Procedure; Broward v. Kerr, 454 So.2d 1068 (4th D.C.A. 1984).

4. Southern Bell does not believe it was Public Counsel's intent to require Southern Bell to produce again the same documents previously produced in other dockets, but to the extent it does, Southern Bell objects on the basis that such a request would be unduly burdensome, oppressive and unnecessary, and for these reasons is prohibited.

5. Southern Bell objects to the specific time and place designated by Public Counsel for the production of documents for the reasons that the designation is not reasonable, but has no objection to producing the documents that are responsive and to which no other objection is made, at a mutually agreed upon time and place.

6. The following Supplemental Specific Response is given subject to the above-stated General Responses and Objections.

SUPPLEMENTAL SPECIFIC RESPONSE

7. Southern Bell supplements its response to Request No. 609 to read as follows:

Legal bills and associated vouchers are not used to determine the split between regulated and nonregulated legal charges. Rather, the determination of whether a particular charge relates to a regulated or nonregulated matter is made independent from the preparation of a legal bill and associated voucher and is based upon the nature of the underlying

matter. Thus, except insofar as a given voucher may reflect the splitting of a given bill between regulated and nonregulated, Southern Bell has no documents responsive to Request No. 609. To the extent that Southern Bell has any vouchers that reflect such a split, Southern Bell will provide them. Southern Bell objects to providing bills that contain material subject to the attorney/client privilege or the attorney work product doctrine. Nonetheless, Southern Bell will provide such bills with the privileged material redacted.

Set forth below are explanations of function codes shown in Section G of the vouchers provided.
