ORDER APPROVING CHANGE IN NAME OF UTILITY

BY THE COMMISSION:

On June 22, 1993, USA Utilities Unit 2, Inc. (USA) filed an application for Commission approval to change its name to Sumter Water Company, Inc. USA requested the change because some of its operations do not fall under the jurisdiction of this Commission. By changing its name, it would separate the regulated portion from the nonregulated portion.

From our review of the information provided with the application, it appears that there has not been a change in ownership or control of the utility or its assets or a transfer of certificates. Therefore, we find it appropriate to approve USA's request to change the name on Certificates Nos. 507-W and 441-S from USA Utilities Unit 2, Inc. to Sumter Water Company, Inc.

It is, therefore,

ORDERED by the Florida Public Service Commission that the request of USA Utilities Unit 2, Inc., 6608 Walton Way, Tampa, Florida 33610-5517, to change its name on Certificates Nos. 507-W and 441-S to Sumter Water Company, Inc. is hereby approved. It is further

ORDERED that USA Utilities Unit 2, Inc. shall return Certificates Nos. 507-W and 441-S to this Commission within 30 days of the date of this Order for entry reflecting that Sumter Water Company, Inc. is the new name of the utility. It is further

ORDERED that USA Utilities Unit 2, Inc. shall submit revised tariff sheets reflecting the new name of the utility within 30 days of the date of this Order. It is further

ORDERED that Docket No. 930614-WS is hereby closed.
