ORDER INDICATING EXEMPT STATUS OF
LAKE PLACID CAMPGROUND AND CLOSING DOCKET

BY THE COMMISSION:

On September 1, 1993, Lake Placid Campground (LPC or Campground) filed an application with this Commission for recognition of its exempt status pursuant to Section 367.022(5), Florida Statutes. The well currently serving the Campground is contaminated. LPC is in the process of constructing a new well. The system is located at 1801 U.S. 27 South, Lake Placid, Highlands County, Florida. Mr. Lloyd W. Schrader, Owner and primary contact person, filed the application on behalf of LPC.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water and wastewater facilities, if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(5), Florida Statutes, and Rule 25-30.060(3)(e), Florida Administrative Code.

Section 367.022(5), Florida Statutes, states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service. The application indicates that LPC provides water service only to its tenants and the service territory is limited to the Campground. Also, the water service is included as a nonspecific portion of the rent. Wastewater service is provided by Highland Utilities Wastewater Treatment Plant.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Schrader
