Re: North Ft. Myers Utility, Inc.; Docket No. 931164-SU
Application for extension of wastewater and for a limited proceeding to the customers of Carriage Village Landowners Association, Inc.

Dear Mr. Friedman:

Concerning the above referenced docket, the Wastewater Agreement dated November 18, 1993 which was submitted with your application does not address whether this is a purchase by NFMU or a donation of plant by Carriage Village. Please indicate if there will be monetary consideration from NFMU to Carriage Village Landowners Association, Inc. for the transfer of the wastewater plant-in-service. Include a list of the plant that will be transferred to NFMU. If this includes a wastewater treatment plant, indicate whether or not this plant will be retired from NFMU books and if so, when.

Also indicate the distance to interconnect to Carriage Village and the anticipated date of interconnection if the Commission approves this extension.

If you have any questions, do not hesitate to contact me at 488-8482.

Sincerely,

William Troy Rendell
