Each entity which has not already done so is directed to return its certificate to the Commission.

Our cancellation of the certificates and the closing of these dockets in no way diminishes the above entities' obligation to pay due and owing regulatory assessment fees. A Regulatory Assessment Fee Return notice will be mailed to each entity. Section 364.336, Florida Statutes, requires all certificate holders to pay a minimum of \$50 annually, if the certificate was active during any portion of the calendar year. It is the certificate holder's responsibility to pay any outstanding regulatory assessment fees and failure to receive notice does not relieve this obligation.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the above certificates of public convenience and necessity are cancelled effective June 13, 1995. It is further

ORDERED that each entity which has not already done so shall return its certificate and remit any and all outstanding Regulatory Assessment Fees due the Florida Public Service Commission. It is further

ORDERED that these dockets are hereby closed.
