

Upon review of the Department of State, Division of Corporations' records, it appears that the new name has been properly registered. Accordingly, we find it appropriate to amend Certificate Number 3127 to reflect the new operating name.

II. Transfer of Control

CGN has been operating under Certificate of Public Convenience No. 3127 as a reseller of interexchange telecommunications services in Florida. As discussed above, CGN has requested that we approve the name change of CGN to Winstar Gateway Network, Inc. The company also requests that we approve WinStar Communications, Inc.'s acquisition of the common stock of Winstar Gateway Network, Inc. CGN/Winstar Gateway Network, Inc. assures the Commission that this transfer of control has not affected the quality of service provided to customers and that the rates charged for such services have not been affected by the transaction.

Therefore, we find that it is in the public interest to transfer the control of Certificate No. 3127 to WinStar Communications, Inc., and hereby approve the company's request.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the request by Communications Gateway Network, Inc. to change the name on Certificate Number 3127 from Communications Gateway Network, Inc. to Winstar Gateway Network, Inc. is approved. It is further

ORDERED that this change will be effective ten (10) days from the issuance of this Order. It is further

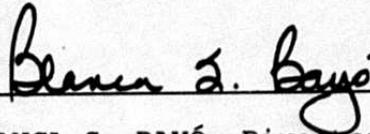

ORDERED that WinStar Communications, Inc.'s acquisition of the common stock of Winstar Gateway Network, Inc. is approved. It is further

ORDERED that the transfer of control of Certificate No. 3127 from Communications Gateway Network, Inc./Winstar Gateway Network, Inc. to WinStar Communications, Inc. is approved. It is further

ORDERED that this docket shall be closed if no protest is filed in accordance with the requirements set forth below.
