RE: Undocketed - AT&T Communications of the Southern States, Inc. 1994 and 1995  
Revenue Adjustments Audit Report; Audit Control No. 95-180-6-1

Dear Ms. Bayo:

Today our office received a letter from Ms. Denise Vandiver regarding the above-referenced staff audit report. The letter advised that workpapers for which AT&T had requested confidential treatment had been forwarded to the Division of Records and Reporting, and that requests for confidential classification were to be filed by December 6, 1996, which was last Friday.

Given that the letter was received today, three days after the deadline referenced in the letter, I am writing to request an extension of time to file such request for confidential classification. Doris Franklin of this office has spoken to Ms. Vandiver regarding this issue and she has no objection to the request. Accordingly, as allowed by Rule 25-22.006, F.A.C., I would ask that AT&T be given until December 19, 1996 to file its request for confidential treatment of these documents, and that the Public Service Commission continue to treat such documents as confidential pending the resolution of AT&T's request.

Thank you for your attention to this matter. Please feel free to call me if you have any questions. I would appreciate a written response for my records.

Very truly yours,

A handwritten signature in cursive script that reads "Marsha E. Rule".
