Re: Approval of the Resale Agreement Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and Unique Communications, Inc. pursuant to Sections 251 and 252 of the Telecommunications Act of 1996

Dear Mrs. Bayo:

Pursuant to section 252(e) of the Telecommunications Act of 1996, BellSouth and Unique Communications, Inc. are submitting to the Florida Public Service Commission their negotiated agreement for the purchase of BellSouth's telecommunications services for the purpose of resale to end users by Unique Communications, Inc.

Pursuant to section 252(e) of the Act, the Commission is charged with approving or rejecting the negotiated agreement between BellSouth and Unique Communications, Inc. within 90 days of its submission. The Act provides that the Commission may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity. Both parties aver that neither of these reasons exist as to the agreement they have negotiated and therefore, are very hopeful that the Commission shall approve their agreement.

Very truly yours,

A. M. Lombardo
Regulatory Vice President

WITNESSETH

WHEREAS, BellSouth is a local exchange telecommunications company authorized to provide telecommunications services in the states of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, and Tennessee; and

WHEREAS, RenuTel is an alternative local exchange telecommunications company authorized to provide telecommunications services in the state of Florida; and

WHEREAS, RenuTel desires to resell BellSouth's telecommunications services; and

WHEREAS, BellSouth has agreed to provide such services to RenuTel for resale purposes and pursuant to the terms and conditions set forth herein;

NOW, THEREFORE, for and in consideration of the mutual promises and promises contained herein, BellSouth and RenuTel do hereby agree as follows:

I. Term of the Agreement

A. The term of this Agreement shall be two years beginning February 19, 1997 and shall apply to all of BellSouth's serving territory as of January 1, 1995 in the state(s) of Florida.

B. This Agreement shall be automatically renewed for two additional one year periods unless either party indicates its intent not to renew the Agreement. Notice of such intent must be provided, in writing, to the other party no less than 60 days prior to the end of the then-existing agreement period. The terms of this Agreement shall remain in effect after the term of the existing agreement has expired and while a new agreement is being negotiated.

- D. RenuTel will be the Company's single point of contact for all services purchased pursuant to this Agreement. The Company shall have no contact with the end user except to the extent provided for herein.
- E. The Company will continue to bill the end user for any services that the end user specifies it wishes to receive directly from the Company.
- F. The Company maintains the right to serve directly any end user within the service area of RenuTel. The Company will continue to directly market its own telecommunications products and services and in doing so may establish independent relationships with end users of RenuTel.

G. Renter shall not interfere with the right of any person or entity to obtain service directly from the Company.

H. Telephone numbers are the property of the Company and are assigned to the service furnished. Renter has no property rights in the telephone number or any other call number designation associated with services furnished by the Company, and no right to the continuation of service through any particular central office. The Company reserves the right to change such numbers, or the central office designations associated with such numbers, or both, whenever the Company deems it necessary to do so in the conduct of its business.

 1. **The needs of telecommunications services shall be limited to voice and data conforming to the class of service restrictions.**
 2. **To the extent Roxster is a telecommunications carrier that serves greater than 5 percent of the Nation's population over land, Roxster shall not jointly market its interLATA services with the telecommunications services purchased from Battisouth pursuant to this Agreement in any of the states covered under this Agreement. For the purposes of this subsection, to jointly market means any advertisement, marketing effort or billing in which the telecommunications services purchased from Battisouth for purposes of resale to customers and interLATA services offered by Roxster are packaged, tied, bundled, discounted or offered together in any way to the end user. Such efforts include, but are not limited to, sales rebates, resale arrangements, sales agencies or billing agreements. This subsection shall be void and of no effect for a particular state covered under this Agreement as of February 6, 1999 or on the date Battisouth is authorized to offer interLATA services in that state, whichever is earlier.**
 3. **Local and Hospital PBX services are the only telecommunications services available for resale to Hospital and Hospital and users, respectively. Similarly, Annex Line Services for Customer Provided Cord Telephones is the only local service available for resale to CCOOTS customers. Shared Tenant Service customers can only be sold those telecommunications services available in the Company's A23 Shared Tenant Service Tariff.**
 4. **Roxster is prohibited from furnishing both flat and demand rate service on the same business premises to the same subscriber (and users) as stated in A2 of the Company's Tariff except for testing services as indicated in the applicable state tariff Section A3.**
 5. **If telephone service is established and it is subsequently determined that the class of service restriction has been violated, Roxster will be notified and billing for that service will be immediately changed to the appropriate class of service. Service charges for changes between class of service, local billing, and leased as described in this subsection shall apply at the Company's sole discretion. Interest on the sum of 0.00005 per day, compounded daily for the number of days from the last billing date to and including the date that Roxster actually makes the payment to the Company may be assessed.**

6. The Company reserves the right to periodically audit services purchased by Reseller to establish authenticity of use. Such audit shall not cover more than one in a calendar year. Reseller shall make any and all records and data available to the Company or the Company's auditor's on a reasonable basis. The Company shall bear the cost of said audit.

B. Resold services can only be used in the same manner as specified in the Company's Tariff. Resold services are subject to the same terms and conditions as are specified for such services when furnished to an individual end user of the Company in the appropriate section of the Company's Tariff. Specific tariff features, e.g. a usage allowance per month, shall not be aggregated across multiple resold services. Resold services cannot be used to aggregate traffic from more than one end user customer except as specified in Section A.23. of the Company's Tariff referring to Shared Tenant Service.

C. Reseller may resell services only within the specific resale service area as defined in its certificate.

D. Telephone numbers transmitted via any resold service feature are intended solely for the use of the end user of the feature. Resale of this information is prohibited.

E. No patent, copyright, trademark or other proprietary right is licensed, granted or otherwise transferred by this Agreement. Reseller is strictly prohibited from any use, including but not limited to sales, marketing or advertising, of any BellSouth name or trademark.

V. Maintenance of Services

A. Services resold under the Company's Tariffs and facilities and equipment provided by the Company shall be maintained by the Company.

B. Reseller or its end users may not damage, move, disassemble, remove or attempt to repair any facilities owned by the Company, other than by connection or disconnection to any interface access card, except with the written consent of the Company.

C. Reseller accepts responsibility to notify the Company of situations that arise that may result in a service problem.

D. Reseller will be the Company's single point of contact for all repair calls on behalf of Reseller's end users.

E. Reseller will contact the appropriate repair center in accordance with procedures established by the Company.

F. For all repair requests, Reseller accepts responsibility for adhering to the Company's processing guidelines prior to returning the trouble to the Company.

G. The Company will bill Reseller for handling troubles that are found not to be in the Company's network pursuant to its standard time and material charges. The standard time and material charges will be no more than twice BellSouth charges to its retail customers for the same services.

- ii. The Company reserves the right to contact Reseller's customers, if deemed necessary, for information purposes.

VI. Establishment of Service

- A. After receiving certification as a local exchange company from the appropriate regulatory agency, Reseller will provide the appropriate Company service under the authority documentation to enable the Company to establish a service account for Reseller. Such documentation shall include the Application for Master Account, proof of authority to provide telecommunications services, an Operating Company Number ("OCN") assigned by the National Exchange Carriers Association ("NECA") and a tax exemption certificate, if applicable. When necessary deposit requirements are met, the Company will begin taking orders for the resale of service.
- B. Service orders will be in a standard format designated by the Company.
- C. When notification is received from Reseller that a current customer of the Company will subscribe to Reseller's service, standard service order intervals for the appropriate class of service will apply.
- D. The Company will not require end user confirmation prior to establishing service for Reseller's end user customer. Reseller must, however, be able to demonstrate end user authorization upon request.
- E. Reseller will be the single point of contact with the Company for all customer ordering activity resulting in additions or changes to resold services except that the Company will accept a request directly from the end user for conversion of the end user's service from Reseller to the Company or will accept a request from another LEC for conversion of the end user's service from the Reseller to the other LEC. The Company will notify Reseller that such a request has been received.
- F. If the Company determines that an unauthorized change in local service to Reseller has occurred, the Company will communicate with the appropriate local service provider and will assess Reseller as the LEC (including the unauthorized change) an unauthorized change charge similar to that described in P.C.C. Tariff No. 1, Section 13.3.3. Appropriate monitoring charges, as set forth in Section A4. of the General Telephone Service Tariff, will also be assessed to Reseller.

These charges can be adjusted if Reseller provides satisfactory proof of authorization.

	Monitoring Charge
(a) each Residence or Business Line	\$19.41

- G. The Company will, in order to safeguard its interest, require Reseller to make a deposit to be held by the Company as a guarantee of the payment of any and all bills, unless preliminary credit has already been established. Any such deposit may be held during the establishment of the service as security for the payment of any and all amounts owing for the service.
- H. Such deposit may not exceed two months' estimated billing.

C. Upon proof of tax exempt certification from RenuTel, the total amount billed to RenuTel will not include any taxes due from the end user. RenuTel will be solely responsible for the computation, tracking, reporting and payment of all federal, state and/or local jurisdiction taxes associated with the services rendered to the end user.

D. As the customer of record, RenuTel will be responsible for, and remit to the Company, all charges applicable to its record services for emergency services (2011 and 911) and Telecommunications Policy Services (TPS) as well as any other charges of a similar nature.

E. If any portion of the payment is received by the Company after the payment due date as set forth preceding, or if any portion of the payment is received by the Company in funds that are not immediately available to the Company, then a late payment penalty shall be due to the Company. The late payment penalty shall be the portion of the payment not received by the payment due date times a late factor. The late factor shall be as set forth in Section A3 of the General Subscriber Service Tariff and Section B2 of the Private Line Service Tariff.

F. Any switched access charges associated with interexchange carrier access to the record local exchange lines will be billed by, and due to, the Company. No additional charges are to be assessed to RenuTel.

G. The Company will not perform billing and collection services for RenuTel as a result of the execution of this Agreement. All requests for billing services should be referred to the appropriate entity or operational group within the Company.

H. Pursuant to 47 CFR Section 31.617, the Company will bill the charges shown below which are allocated to the SUCL rates billed by BSC to its end users.

	Monthly Rate
1. Residential	
(a) Each Individual Line or Trunk	\$2.00
2. Single Line Business	
(a) Each Individual Line or Trunk	\$2.00
3. Multi-line Business	
(a) Each Individual Line or Trunk	\$2.00

I. In general, the Company will not become involved in disputes between RenuTel and RenuTel's end user customers over record services. If a dispute does arise that cannot be settled without the involvement of the Company, RenuTel shall contact the Disputed Service Center for resolution. The Company will make every effort to assist in the resolution of the dispute and will work with RenuTel to resolve the matter in as timely a manner as possible. RenuTel may be required to submit documentation to substantiate the claim.

VIII. Discontinuance of Service

A. The procedures for discontinuing service to an end user are as follows:

1. Where possible, the Company will deny service to Reseller's end user on behalf of, and at the request of, Reseller. Upon restoration of the end user's service, removal charges will apply and will be the responsibility of Reseller.
2. At the request of Reseller, the Company will disconnect a Reseller end user customer.
3. All requests by Reseller for denial or discontinuation of an end user for nonpayment must be in writing.
4. Reseller will be made solely responsible for notifying the end user of the proposed discontinuation of the service.
5. The Company will continue to process calls made to the Anonymous Call Center and will advise Reseller when it is determined that anonymous calls are originated from one of their end user's locations. The Company shall be indemnified, defended and held harmless by Reseller and/or the end user against any claim, loss or damage arising from providing this information to Reseller. It is the responsibility of Reseller to take the corrective action necessary with its customers who make anonymous calls. Failure to do so will result in the Company's discontinuing the end user's service.

B. The procedures for discontinuing service to Reseller are as follows:

1. The Company reserves the right to suspend or terminate service for nonpayment or in the event of prohibited, unlawful or improper use of the facilities or service, abuse of the facilities, or any other violation or noncompliance by Reseller of the rules and regulations of the Company's Tariffs.
2. If payment of amount is not received by the bill day in the month after the original bill day, the Company may provide written notice to Reseller, that additional applications for service will be refused and that any pending orders for service will not be accepted if payment is not received by the fifteenth day following the date of the notice. If the Company does not refuse additional applications for service on the date specified in the notice, and Reseller's nonpayments continue, nothing contained herein shall preclude the Company's right to refuse additional applications for service without further notice.
3. If payment of amount is not received, or arrangements made, by the bill day in the second consecutive month, the account will be considered in default and will be subject to denial or discontinuation, or both.
4. If Reseller fails to comply with the provisions of this Agreement, including any payments to be made by it on the dates and times herein specified, the Company may, on thirty days written notice to the person designated by Reseller to receive notices of noncompliance, discontinue the provision of existing services to Reseller at any time thereafter. In the case of such discontinuance, all billed charges, as well as applicable termination charges, shall become due. If the Company does not

discontinues the provision of the services involved on the date specified in the thirty days notice, and Renuite's non-compliance continues, nothing contained herein shall preclude the Company's right to discontinue the provision of the services to Renuite without further notice.

3. If payment is not received or arrangements made for payment by the date given in the written notice, Renuite's services will be discontinued. Upon discontinuation of services on a Renuite's account, service to Renuite's end user will be denied. The Company will also re-establish service at the request of the end user or Renuite upon payment of the appropriate connection fee and subject to the Company's normal application procedures.

4. If within fifteen days after an end user's service has been denied no contact has been made in reference to restoring service, the end user's service will be disconnected.

III. Liability

A. The liability of the Company for damage arising out of omission, omissions, interruptions, pre-emption, delays, errors or defects in transmission, or failure or defect in facilities furnished by the Company, occurring in the course of furnishing service or other facilities and not caused by the negligence of Renuite, or of the Company in failing to maintain proper standards of maintenance and operation and to ensure reasonable supervision shall in no event exceed an amount equivalent to the proportionate charge to Renuite for the period of service during which such mistake, omission, interruption, pre-emption, delay, error or defect in transmission or failure or defect in facilities occur. The Company shall not be liable for damage arising out of omission, omission, interruption, pre-emption, delay, error or defect in transmission or other injury, including but not limited to injury to person or property from voltages or currents transmitted over the service of the Company, (1) caused by customer-provided equipment (except where a contributing cause is the malfunctioning of a Company-provided connecting equipment), in which event the liability of the Company shall not exceed an amount equal to a proportional amount of the Company billing for the period of service during which such mistake, omission, interruption, pre-emption, delay, error, defect in transmission or injury occurs, or (2) not provided by customer-provided equipment but which would have been prevented had Company-provided equipment been used.

B. The Company shall be indemnified and saved harmless by Renuite against any and all claims, actions, causes of action, damages, liabilities, or demands (including the costs, expenses and reasonable attorney's fees, on account thereof) of whatever kind or nature that may be made by any third party as a result of the Company's furnishing of services to Renuite.

C. The Company shall be indemnified, defended and held harmless by Renuite under the end user against any claim, loss or damage arising from the use of services offered for resale involving:

1. Claims for libel, slander, invasion of privacy or infringement of copyright arising from Renuite's or end user's own communications.
2. Claims for patent infringement arising from one combining or using Company services in connection with facilities or equipment furnished by the end user or Renuite.
3. All other claims arising out of an act or omission of Renuite or its end user in the course of using services.

B. Neither party is responsible for providing access for maintenance purposes of any service provided under the provisions of this Tariff. The Company shall not be responsible for any failure on the part of RenuTel with respect to any and all of RenuTel.

X. Treatment of Proprietary and Confidential Information

Both parties agree that it may be necessary to provide each other during the term of this Agreement with certain confidential information, including trade secret information, including but not limited to, technical and business plans, technical information, proposals, quotations, drawings, procedures, customer account data and like information (hereinafter collectively referred to as "Information"). Both parties agree that all Information shall either be in writing or other tangible format and clearly marked with a confidential, private or proprietary legend, or, when the Information is communicated orally, it shall also be communicated that the Information is confidential, private or proprietary. The Information will be returned to the owner within a reasonable time. Both parties agree that the Information shall not be copied or reproduced in any form. Both parties agree to receive such Information and not disclose such Information. Both parties agree to protect the Information received from distribution, disclosure or dissemination to anyone except employees of the parties with a need to know such Information and which employees agree to be bound by the terms of this Section. Both parties will use the same standard of care to protect Information received as they would use to protect their own confidential and proprietary Information.

B. Notwithstanding the foregoing, both parties agree that there will be no obligation to protect any portion of the Information that is either: 1) made publicly available by the owner of the Information or lawfully disclosed by a party to this Agreement; 2) lawfully obtained from any source other than the owner of the Information; or 3) previously known to the receiving party without an obligation to keep it confidential.

XI. Resolution of Disputes

Except as otherwise stated in this Agreement, the parties agree that if any dispute arises as to the interpretation of any provision of this Agreement or as to the proper implementation of this Agreement, the parties will present the dispute to the Public Services Commission for a resolution of the dispute. However, each party reserves any rights it may have to seek judicial review of any ruling made by that Public Services Commission concerning this Agreement.

XIV. Governing Law

This Agreement shall be governed by, and construed and enforced in accordance with, the law of the State of Georgia, without regard to its conflict of laws principles.

1. the Federal Communications Commission ("FCC") or the Commission finds that the terms of this Agreement are inconsistent in one or more material respects with any of its or their respective decisions, rules or regulations, or
 2. the FCC or the Commission approves the filing of this Agreement, then, in either case, upon such commission becoming final and no longer subject to administrative or judicial review, the parties shall immediately commence good faith negotiations to conform this Agreement to the requirements of any such decision, rule, regulation or presumption. The revised agreement shall have an effective date that coincides with the effective date of the related FCC or Commission action giving rise to such negotiations. The parties agree that the rules, terms and conditions of any new agreement shall not be applied retroactively to any period prior to such effective date except to the extent that such retroactive effect is expressly required by such FCC or Commission decision, rule, regulation or presumption.
- B. In the event that BellSouth, either before or after the effective date of this Agreement, enters into an agreement with any other telecommunications carrier (an "Other Remote Agreement"), which provides for the provision within the state(s) of Florida of any of the arrangements covered by this Agreement upon rules, terms or conditions that differ in any material respect from the rules, terms and conditions for such arrangements set forth in this Agreement ("Other Terms"), BellSouth shall be deemed thereby to have entered such Other Remote Agreement to BellSouth's full authority. In the event that BellSouth accepts such offer within thirty (30) days after the Commission approves such Other Remote Agreement pursuant to 47 U.S.C. § 232, or within thirty (30) days after BellSouth acquires actual knowledge of an Other Remote Agreement and requiring the approval of the Commission pursuant to 47 U.S.C. § 232, as the case may be, such Other Terms shall be effective between BellSouth and BellSouth as of the effective date of such Other Remote Agreement. In the event that BellSouth accepts such offer more than thirty (30) days after the Commission approves such Other Remote Agreement pursuant to 47 U.S.C. § 232, or more than thirty (30) days after acquiring actual knowledge of an Other Remote Agreement and requiring the approval of the Commission pursuant to 47 U.S.C. § 232, as the case may be, such Other Terms shall be effective between BellSouth and BellSouth as of the date on which BellSouth accepts such offer.
- C. In the event that after the effective date of this Agreement the FCC or the Commission issues an order (a "Remote Order") requiring BellSouth to provide within the state(s) of Florida any of the arrangements covered by this agreement upon Other Terms, then upon such Remote Order becoming final and not subject to further administrative or judicial review, BellSouth shall be deemed to have entered such arrangements to BellSouth upon such Other Terms, to their authority, which BellSouth may only accept in their

activity, as provided in Section XVI.E. In the event that Rumbler accepts such offer within sixty (60) days after the date on which such Remote Order becomes final and not subject to further administrative or judicial review, such Other Terms shall be effective between BellSouth and Rumbler as of the effective date of such Remote Order. In the event that Rumbler accepts such offer more than sixty (60) days after the date on which such Remote Order becomes final and not subject to further administrative or judicial review, such Other Terms shall be effective between BellSouth and Rumbler as of the date on which Rumbler accepts such offer.

B. In the event that after the effective date of this Agreement BellSouth files and subsequently receives approval for one or more separate tariff (each, a "Remote Tariff") offering to provide within the state(s) of Florida any of the arrangements covered by this Agreement upon Other Terms, then upon such Remote Tariff becoming effective, BellSouth shall be deemed thereby to have offered such arrangements to Rumbler upon such Other Terms, which Rumbler may accept as provided in Section XVI.E. In the event that Rumbler accepts such offer within sixty (60) days after the date on which such Remote Tariff becomes effective, such Other Terms shall be effective between BellSouth and Rumbler as of the effective date of such Remote Tariff. In the event that Rumbler accepts such offer more than sixty (60) days after the date on which such Remote Tariff becomes effective, such Other Terms shall be effective between BellSouth and Rumbler as of the date on which Rumbler accepts such offer.

C. The terms of this Agreement, other than those affected by the Other Terms accepted by Rumbler, shall remain in full force and effect.

D. **Consecutive Payments.** In the event that -

1. BellSouth and Rumbler revise this Agreement pursuant to Section XVI.A, or

2. Rumbler accepts a demand offer of an Other Remote Agreement or Other Terms, then BellSouth or Rumbler, as applicable, shall make a consecutive payment to the other party to account for the difference between the rates on such terms and the rates in such revised agreement or Other Terms for substantially similar services for the period from the effective date of such revised agreement or Other Terms until the date that the parties execute such revised agreement or Rumbler accepts such Other Terms, plus simple interest at a rate equal to the thirty (30) day commercial paper rate for high-grade, unsecured notes sold through dealers by major corporations in multiples of \$1,000.00 as regularly published in *The Wall Street Journal*.
