.....  
This is a docket on transfer of control. When we opened it, we did not include in the docket title the name of the entity being transferred to. I would like to correct docket title to read:

Application for transfer of majority organizational control of Certs 517-W and 450-S in Brevard County from Aquarina Developments, Inc. to Petrus Group, L.P.

Is that sufficient? I expect you all are working on the recommendation now (according to CASR) and may not be able to correct the title on that. We'll be sure it's correct on the agenda page, though. Kay
