~~Recommendation:~~ ^{review} After notice to the parties, the Commission should ~~revisit~~, at an agenda conference, the decisions made in Dockets Nos. 961407-EQ (Pasco), 961477-EQ (Lake), and 961184-EQ (OCL) to determine if there was any bias in the information presented to the Commission. Those items should be presented to the Commission by attorneys from the Division of Appeals, since that Division was not previously involved in those items. Based on the information known at this time, it does not appear that any further review is necessary with respect to the decisions made in Docket No. 970056-EG (Revision to Conservation Program Participation Standards) and Docket No. 970096-EQ (Tiger Bay).

MODIFIED *Approved with noted modification.*

Additionally, the Commissioners, on their own motion, decided to reconsider their 6/24/97 decision in Docket 961477-EQ. Reconsideration will take place at 8/18/97 conference.
