paid the regulatory assessment fees required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year 1996. The regulatory assessment fee form was mailed to Business Options in December, 1996, for the period of January 1, 1996, through December 31, 1996. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Business Options was notified of its delinquency on June 3, 1997. The company has been given adequate opportunity to pay. To date, the Commission's correspondence regarding the regulatory assessment fees has been returned by the post office, and Business Options has not paid the required fees.

For the reason described above, pursuant to Rule 25-24.474(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel Business Options's certificate, unless the company pays a \$500 fine for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, and remits all past due regulatory assessment fees, along with statutory penalties and interest charges, to the Florida Public Service Commission. Business Options must comply with these requirements within five business days from the date this Order becomes final. The fine will be remitted to the Comptroller for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.516, Florida Statutes.

When the appropriate fees, statutory penalties, interest charges, and fine are received, this docket shall be closed. Should Business Options fail to comply with this Order within five business days from the date this Order becomes final, Business Options shall have its certificate canceled and the docket will be closed. The cancellation of the certificate and the closing of the docket in no way diminishes Business Options' obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges.

Should Business Options' certificate be canceled, all certificated interexchange carriers in the State of Florida are instructed to discontinue service to Business Options, pursuant to Rule 25-24.4701(3), Florida Administrative Code, Provision of Regulated Telecommunications Service to Uncertificated Resellers Prohibited. Any certificated interexchange carriers providing service to Business Options must contact the Commission at the conclusion of the response period indicated herein in order to determine if Business Options' certificate has been canceled.
