BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service
Commission that the action discussed herein is preliminary in
nature and will become final unless a person whose interests are
substantially affected files a petition for a formal proceeding,
pursuant to Rule 25-22.029, Florida Administrative Code.

Inversiones Riversay of Florida, Inc. (Inversiones Riversay)
currently holds Certificate of Public Convenience and Necessity
Number 3680, issued by the Commission on March 18, 1994,
authorizing the provision of pay telephone service. Inversiones
Riversay has not paid the regulatory assessment fees required by
Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida

fee form was mailed to Inversiones Riversay in December, 1996, for

the period of January 1, 1996, through December 31, 1996. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Inversiones Riversay was notified of its delinquency on June 3, 1997. The company has been given adequate opportunity to pay. The Commission's correspondence regarding the regulatory assessment fees was signed and received. To date, Inversiones Riversay has not paid the required fees.

For the reason described above, pursuant to Rule 25-24.514(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel Inversiones Riversay's certificate, unless the Inversiones Riversay pays a \$500 fine for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, and remits all past due regulatory assessment fees, along with statutory penalties and interest charges, to the Florida Public Service Commission. Inversiones Riversay must comply with these requirements within five business days from the date this Order becomes final. The fine will be remitted to the Comptroller for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.516, Florida Statutes.

When the appropriate fees, statutory penalties, interest charges, and fine are received, this docket shall be closed. Should Inversiones Riversay fail to comply with this Order within five business days from the date this Order becomes final, Inversiones Riversay shall have its certificate canceled and the docket will be closed. The cancellation of the certificate and the closing of the docket in no way diminishes Inversiones Riversay's obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges.

Should Inversiones Riversay's certificate be canceled, all certificated local exchange companies are instructed to discontinue service to Inversiones Riversay, pursuant to Rule 25-24.510, Florida Administrative Code, Certificate of Public Convenience and Necessity Required. Any certificated local exchange company providing service to Inversiones Riversay must contact the Commission at the conclusion of the response period indicated herein in order to determine if Inversiones Riversay's certificate has been canceled.
