RE: Docket No. 971186-SU - Application for approval of reuse project plan and increase in wastewater rates in Seminole County by Sanlando Utilities Corporation.

Dear Mr. Simmons:

This is to memorialize our telephone conversation of Wednesday, November 12, 1997, during which I advised that we are requesting that Sanlando Utilities Corporation (Sanlando or utility) utilize certain provisions from the rate case noticing rule in order to notice customers and other interested persons of the application filed in the above-referenced docket.

As you know, the Commission does not have a noticing rule for reuse applications filed under Section 367.0817, Florida Statutes. We therefore request that the utility utilize Rule 25-22.0407(3), (4), (5), and (8), Florida Administrative Code, Notice of and Public Information for General Rate Increase Requests by Water and Wastewater Utilities. We request that the utility provide a copy of the initial notice and notice of customer meeting to all of its water, wastewater, reuse, and potential reuse customers.
