RE: Docket No. 961321-WS -- Application for certificates to provide water and wastewater service by Point Water and Sewer, Inc. (PWS), in Clay County.

Dear Doug:

This is in response to your request for an extension of time for PWS to respond to the Commission staff's first set of interrogatories and first request for production of documents propounded on August 28, 1997. Given given that settlement negotiations appear to be progressing well, we are willing to extend the due date for the filing of your responses to those discovery requests until February 5, 1998.

Please keep us informed as to the status of the settlement negotiations with the Point Property Owners Association.

Sincerely,

Rosanne Gervasi
Staff Counsel
