NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the petition of 38 tenants of record at Dunedin Beach Campground for waiver of Rule 25-6.049(5), Florida Administrative Code, filed May 29, 1997, in Docket No. 970647-EU, was approved on October 7, 1997. The rule addresses metering requirements for electric service and, in pertinent part, requires individual electric metering for each separate occupancy unit of recreational vehicle parks for which construction commenced after January 1, 1981. The petition was approved on the basis that the purpose of the underlying statute would be achieved by other means and application of the rule would create substantial hardship. Notice of the petition was published in the FAW on June 20, 1997. A copy of the Order can be obtained from the Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850; (850) 413-6770.
