Sandy, we received a memo from Brenda Hawkins and Kim Pena (DN 05547-98 dated 5/18/98) advising Ms. Buey had decided to continue using her personal name on her PATS certificate, and asking that we withdraw her request for a name change. The memo was addressed to you and to me, but we did not give you a copy.

The memo should have resulted in the docket's closing. Please close the docket at this time, based on this e-mail.

Thanks. Kay
