8. v. 98

State of Florida
Utilities Division

Dear Commissioner:

And, the Black water continues, ex
as recent as this am the wash
bowls became full of black water
this am. washing and shaving.

And, the rural water group that
visited us were not a bit
interested in flushing the street to
house meter pipe when I asked
them.

It is most disencouraging
to live day in and day through
with this unhealthy condition

Very truly yours

Mr and Mrs Herbert A. Spas
