Re: Joint petition for approval of new territorial agreement between
Florida Power & Light Company and Jacksonville Electric
Authority, Docket No. 980755-EU

Dear Ms. Bayó:

The St. John's Transitional Rider, as proposed by Florida Power & Light Company's motion to amend the proposed territorial agreement, would become operative only in the event that the Commission approves the territorial agreement in the docket referred to above. Therefore, Florida Power & Light Company hereby waives the requirement of the Commission acting within 60 days as required by Chapter 366.071, Florida Statutes, and requests that any proposed action on Florida Power & Light Company's request to amend its tariff by including the St. John's Transitional Rider as part of the proposed territorial agreement be agendaed on the same date as the proposed territorial agreement. If this is not possible, please let me know by return phone call as this item is currently agendaed for October 6.

Yours truly,

Wilton R. Miller
