STAFF DATA REQUESTS

RE: Docket No. 980957-WS - Application for transfer of majority organizational control of Sanlando Utilities Corporation in Seminole County to Utilities, Inc.

Dear Mr. Feil:

By this letter, the Commission staff requests that Florida Water Services Corporation (FCWC or utility) provide responses to the following data requests which refer to the Apple Valley and Meredith Manor service areas.

1. Provide a copy of a territory map(s) with the certificated territory description plotted thereon. Label all angles, distances and references from the orders that describe the certificated territory on the territory map(s). Please identify the water and wastewater certificated area by color, shading or lines. The map(s) can be any reasonable size that will allow correlation of the territory description to the map(s).
2. Provide a copy of each order(s) that granted the utility's certificated area.

Please file the original and five copies of the requested information by October 30, 1998, with Ms. Blanca Bayo, Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Please feel free to call me at (850) 413-6224 if you have any questions.

Sincerely,

Rosanne Gervasi
Senior Attorney
