RE: AREA LIGHTING FOR PLEASANT GROVE ELEMENTARY SCHOOL

Dear Dawn

The Citrus County Board of Public Instruction has requested Florida Power Corporation to install an area light at the entrance to Pleasant Grove Elementary School at 630 S. Pleasant Grove Rd. Inverness, Fl..

Upon a field investigation it was determined that ,with the location of our facilities in the relation to your facilities , it would be more advantageous for the customer to have Sumter Electric to provide their lighting needs.

Sincerely,
