====NOTE=====4/05/99=10:47am=====
Paula, I have a letter from C-Phone Video Communication Systems requesting their cert be cancelled as of 12/31/98. Nonnye and I looked for that company name and couldn't find anything that's even close.

Can you research this for me? Thanks.

Does their letter have a phone number? If yes, e-mail it to me, along with the name of the person who wrote it, and I'll give them a call.

Yes, it is William M. Karr III, Esq.
Phone No. 910-395-6100. Thanks Paula.

I called Mr. Karr at 11:07 a.m. and he said that they were not sure which states they had applied for service in, so he sent letters to all the states, including Florida. I asked if the certificate/application could have been in any other name and he said no. I told him that we were going to disregard his letter, since our records do not show a certificate under that name. He said OK. I'll leave it up to you as to what to do with his letter, but there appears to be no action needed by the Commission.

Ok, I think I'll just date stamp and put in alphabetical file. I'll check with Kay and if that changes I'll let you know. Thanks so much.

Gentlemen:

Please be advised that although C-Phone Corporation continues to operate as a manufacturer within the State of North Carolina, the company's commercial activities relating to its certificate to operate as a public utility within the State of Florida ceased as of the 31st day of December, 1998.

It is therefore respectfully requested that C-Phone Corporation's certificate of necessity and convenience be cancelled at your earliest convenience.

Thank you for your immediate attention to this matter.

Sincerely yours,

William M. Karr, III, Esq.
