Rick, please advise asap on correct name of this company. Here are the various versions:

- USCommunication Services, Inc. - on application
- USCommunication Services Inc. - on tariff
- U.S. Communication Services, Inc. - on recommendation

Minor variations, but we need to show the registered version on the agenda, vote sheet, and finally order. Please advise! Thanks. Kay

U.S. Communications Services, Inc. is how it is registered with the Division of Corporations and is the correct way it should read in MCD. Everytime someone uses US or U.S. creates a major mess!

I'll correct CMS and MCD and show it correctly on agenda and vote sheet "For want of a nail..." or a period in this case I guess. Thanks.

Linda, please print this e-mail and correct CMS to
U.S. Communication Services, Inc.

and give Nonnye a copy so she can correct MCD.

(Rick, am I right to assume it is "Communication" rather than "Communications"?)
