RE: Cancellation of Certificate TF369

991026-TC

Dear Commissioners:

We would like to offer a settlement of one hundred dollars to maintain our company's certificate. Although we filed our return on time, through our oversight, we neglected to send the minimal annual fee of fifty dollars. We apologize for this oversight, and have taken appropriate measures to keep it from happening in the future.

Thank you, in advance for your attention to this matter.
