.....
As you stated, the actual name of the utility is unclear. One of the deficiencies in the letter you referred to in your email to John Williams asks for the actual name of the utility with written verification from the Secretary of State's office. Once we receive the written verification from the applicant, we will be sure you have the correct name.

Thanks so much, Stephanie. It is sometimes VERY difficult to nail these utility names down! Especially when one name is used in the cover letter, another version in the application, another on the attachments, etc etc!! Makes for a challenge. I'll let Nonnye know also that we're waiting to hear from you--that way she can correct MCD as well. Thanks again. Kay

Would you believe that the official response to the deficiency letter was received yesterday?! According to the cover letter from the owner, Mr. Robert W. Arnold Sr, he would like the name of the utility to be Robert W. Arnold Sr. Today I will prepare a transmittal memo to RAR to submit a copy of his response. You should have it soon.
