Re: Docket No. 000905 Approval of Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Priority Paging, Inc.

Dear Mrs. Bayo:

On July 21, 2000, BellSouth and Priority Paging, Inc. a Commercial Mobile Radio Service provider filed a negotiated interconnection agreement for Florida Public Service Commission approval. The subject of the cover letter of the filing was styled as "Approval of the Paging Agreement Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and Priority Paging, Inc. ---". The cover letter did not correctly present the subject, and it should be changed.

Please use this letter to correctly style the submittal and the Docket title as "**Approval of the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and Priority Paging, Inc. pursuant to Sections 251, 252 and 271 of the Telecommunications Act of 1996**". This interconnection agreement pertains to Priority Paging, Inc. as a paging provider.

I would appreciate your assistance in correcting the filing in question.

Yours truly,

Regulatory Vice President
