RE: Retroactive effective dates for certificate cancellations requested in 1997 and taken to Agenda in December 1997, January and February 1998.

The following certificate was cancelled without an effective date. This certificate holder is being incorrectly assessed Regulatory Assessment Fees for 1998. The docket was opened on January 21, 1998 and was filed and appeared on the next upcoming Agenda which was February 5, 1998. Staff also reviewed the dockets opened in early 1998 to determine whether staff either received, or the certificate holder requested, a specific cancellation date to be effective in 1997. Documentation for the 1998 docket with a 1997 cancellation date is attached.

Staff requests that the following docket be amended to reflect the effective date listed below.
