I have spoken to Margie Howard and she's the person to check on this. However, she has informed me that due to the reorg, it will take her a little longer than the usual to check on this for the filing room was also relocated. One of the two of us will contact you as soon as it has been reviewed. Thanks!

No, I haven't. I sent Kay an email to see if we needed to check with the GTE.

Kim, this is a closed docket (closed 4/00). However, we have a problem with the original and the security copy of the agreement and I thought before we called GTE we'd check with you and see if maybe you had a good copy of some pages in yours.

We have pages 1-48, after page 48 is page 68, after page 68, we have pages 50 through 66 twice. There is no 51, 53, 55, 57, 59, 61, 63, 64, OR 65. Which looks like they copied the even no pages twice.

If you still have your copy of this agreement, will you check and see if your is the same? There is no urgency about this, but I think Hong had a request for copy.

Thanks Kim.

I will be out next week, if you can let Kay know what you come up with I would appreciate it.
