# Take Control of Your Bottom Line

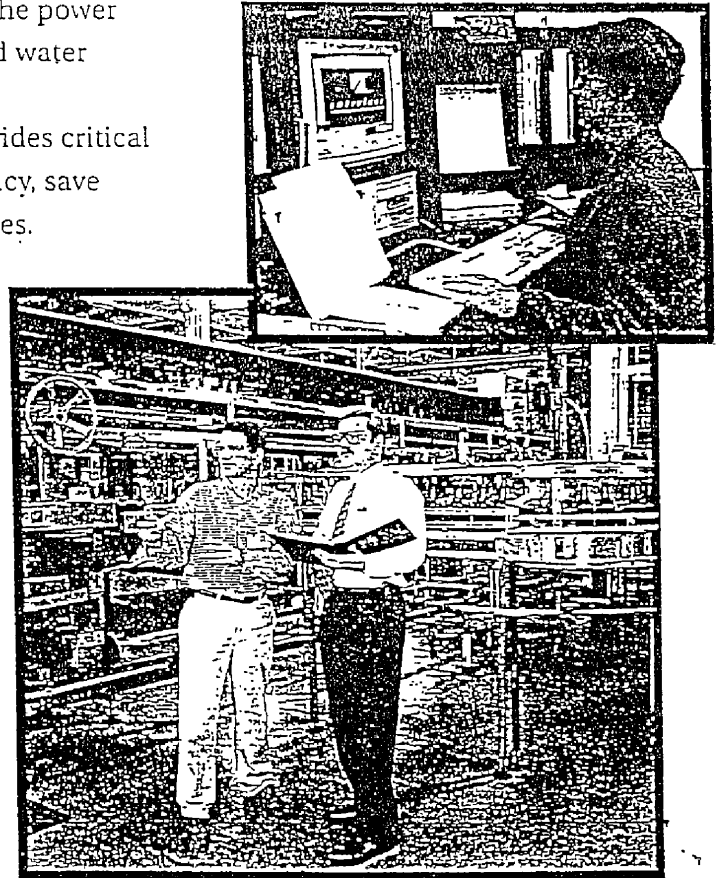

Utility expenses can represent a significant operating cost for your business. Tampa Electric Company can help you take control of these costs.

Our new *Power Manager Partner* service gives you the power to instantly monitor and analyze your electricity, gas and water consumption.

For a low monthly fee, *Power Manager Partner* provides critical information you need to optimize your business efficiency, save energy and water, and reduce your overall utility expenses.

## *Power Manager Partner* helps you:

- *Analyze* real-time and historical electricity, gas and water consumption profiles
- *Evaluate* sub-metered loads, such as HVAC and lighting, for more precise energy usage data
- *Assess* demand and energy usage trends and savings opportunities
- *Compare* energy and water consumption from multiple facilities
- *Identify* rate alternatives
- *Produce* easy-to-understand daily and monthly graphs for simplified reporting... *and much more.*

And, you'll benefit from the expertise of a Tampa Electric professional who can help you analyze your unique load profile information and make specific recommendations for cost savings.

Start taking control of your utility expenses. Call Tampa Electric today for more information.
