Dorothy,

The above agreement should be styled as an adoption "with modifications" since the terms of the underlying agreement have been changed for this adoption. The letter does not indicate modifications have been made, but the modifications can be found on pages 3 and 4 of the PDF document.

In addition to the change in the docket title, the event codes and dates should be adjusted to add a "statutory deadline" with a date of June 29, 2006; the memo to docket file date should be changed to July 3, 2006; and the close docket date should be changed to July 5, 2006.

Please let me know if you need me to file a CASR revision.

Nancy, F Y I the above information.
