I placed the modified order on GCOrders. The attachment will not require a header. Thanks

Subject: order in 050948 et al.

Lee Eng, good morning. We haven't issued this order yet. It was brought to my attention that the Attachment A to the order includes 3 dockets that were deferred from the agenda because the companies had filed responses. I see in the order that A is described as a list of companies that "did not provide a response" but companies in Dockets 050948, 050952, and 050957 DID file responses and those dockets were deferred from the 2/28 agenda. Should A be modified by having those 3 dockets deleted?

We haven't issued this order yet because we noticed the problem before issuing.

Please advise.

(Also, LaSandra, we will need a header on this page.)

Kay

Please note: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and to the media upon request.
