**Table 5: VoIP Access Lines on a Voice-Grade Equivalent (VGE) Basis**

**Company Name:** NuVox Communications, Inc.

**Company Code\*:** TX824

\*Your Company code is shown on the label affixed to the envelope in which this was mailed and on the cover letter.

**THIS TABLE IS TO ONLY CAPTURE VoIP LINES. DO NOT INCLUDE LINES REPORTED IN TABLE 1.**

Complete Table 5 if you provided VoIP service to Florida *end users* via one or more *voice-grade equivalent (VGE)* lines or wireless *VGE* channels.

An access line connects the end user's customer premises equipment (CPE) to the serving switch and allows the end user to originate and/or terminate local telephone calls on the public switched telephone network (PSTN). The access line counts in Table 5 below must be based on all of your different types of access lines (including fixed wireless) that are used to provide VoIP service.

Each field must be populated. All entries must be made without quotation marks.

**TABLE COLUMN INSTRUCTIONS:**

Column (a). List Exchanges in alphabetical order corresponding to the primary location where service is provided. **Reported exchange data should not be based on secondary service locations (i.e., where service has been moved temporarily to a secondary location such as a vacation home).**

Column (b). Enter the abbreviation **Res** for Residential lines or **Bus** for Business lines. **Residential lines and business lines must be entered in separate rows.**

Column (c). Enter line count as *voice-grade equivalents (VGEs)*. Report *VGEs* based on how the customer is billed. If the customer is billed for a dynamic bandwidth VoIP product, the line count would be the maximum number of VoIP lines available. If the customer is billed for a specific number of VoIP lines, or a range of lines, the VoIP line count would be the number of VoIP lines or the highest number of the range, respectively. **Each line count must be entered in separate rows.**

**Please provide data as of June 30, 2007 and as of December 31, 2007 in two separate tables.**
