I checked with the Commission's Fiscal Services and was advised that the check and RAF return was not with the letter requesting cancellation. However, it is possible the check and RAF return got separated from the letter. If you can provide me with the check number I can search our records that way to see if it was posted to the wrong company. Thanks.

Paula

Hi Paula –

Thanks for your email. I will check with my CFO. I know that with the letter of cancellation we did include a complete 2009 RAF form along with a \$700 check.

As soon as the check clear, I will send you a copy of the bank statement so we can process the cancellation.

Thanks again,

Pablo Bressan

Good morning, Mr. Bressan:

The Commission received the company's request for cancellation of its IXC registration. Unfortunately, we cannot make the effective date of the cancellation retroactive to December 31, 2008. The effective date will be the date the request for cancellation was received, which was April 27, 2009. And, unfortunately, this means that the 2009 Regulatory Assessment Fee (RAF) must be paid before a voluntary cancellation can be granted. The 2009 RAF return form is attached. Please let me know if the company wants a voluntary cancellation and if yes, when the 2009 RAF will be paid.
