Dear Ms. Fleming:

By this letter, Aqua Utilities Florida, Inc. (AUF or Company) provides its response to the Staff's Eighteenth Data Request.

Miscellaneous Deferred Debits

For each specific miscellaneous deferred debits included in AUF's working capital allowance, please provide a detailed description of what project it resulted from, the total amount of the project, and the amortization period used. Please provide support documentation (i.e. invoices) for each miscellaneous deferred debit.

RESPONSE:

AUF is providing the Excel spreadsheet entitled "Staff 18 Set Miscellaneous Deferred Debits.xls" on the enclosed CD labeled, "Staff Eighteenth Data Request Response." Since there are over 300 individual invoices listed, if staff believes a sampling of the invoices is needed, AUF will supply any such statistical sample requested as a supplemental response.
